

Surprise Diorama Box Card

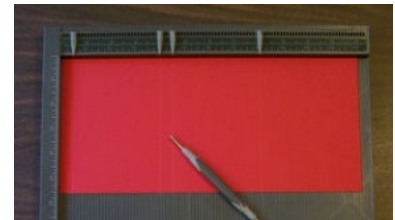

Supplies:

- 12" x 5 1/2" Real Red cardstock
- 3 1/2" x 1" Daffodil Delight cardstock
- 3 1/2" x 3/8" Old Olive cardstock
- 4" x 1 1/2" Old Olive cardstock
- 2 1/2" Circle Island Indigo cardstock
- 2-3/8" Scallop Circle Daffodil Delight cardstock
- 4 1/2" x 2" Summer Smooches DSP
- Whisper White cardstock
- Bright Blossoms stamp set
- Petite Pairs stamp set
- Basic Black ink pad
- Daffodil Delight Marker & ink pad
- Old Olive Marker
- Real Red Marker
- Simply Scored Tool
- 1 3/4" Circle Punch

Directions:

1. Score Real Red cardstock with Simply Scored Tool at 1/2", 4", 4 1/2", 8".
2. Apply Sticky Stick along the 1/2" flap of the card.
3. Use the 1-3/4" Circle Punch to punch a window in the top center of the first panel of the cardstock. (When folded up, this will be the inside of the card.)
4. Stamp the round flower in Daffodil Delight ink on the Daffodil Delight cardstock. Adhere to the inside panel of the cards, approximately 1/2" from the bottom of the card. Adhere the skinny Old Olive cardstock above it.
5. On Whisper White cardstock, stamp the flower stamps inked with the So Saffron and Old Olive markers. Stamp the coordinating greetings from Petite Pairs in Basic Black.

Punch out each image with the 1-3/4" Circle Punch. Layer the "Sending Many Thanks" image on to the Daffodil Delight Scallop Circle.

- Use scissors or a Paper Cutter to cut the Island Indigo 2-1/2" Circle in half. Adhere the Summer Smooches Designer Paper over the Old Olive cardstock strip. Tuck the half circles of Island Indigo cardstock behind the designer paper so that a quarter of the circle shows in opposite corners (as shown, right).

Front

Back

- Adhere all layers to the farthest right panel of the Real Red cardstock. (This will be the front of the card.)
- Fold on all score lines of the Real Red cardstock, creating kind of a box on the inside of the card. The flap with Sticky Strip will fold back to the inside center of the card. The Sticky Strip edge will adhere to the back side of the card front (NOT the card *back*). Fold the card flat again.
- Open the card and gently push down on the middle to place the stamped 1-3/4" Circle with the inside greeting into the diorama box, centered through the hole.
- Adhere the front greeting (on the Daffodil Delight Scallop Circle) to the card using Stampin' Dimensionals.
